**1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)**

I am a 14 year customer.

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

I believe that the rate increase is excessive and lacks details as to use and need of the increase in funds. My belief is that the TCWS does the least in providing service, repairs, capital improvements and always seeks the highest rate increases possible. Their failure to re-invest wisely has led them to this point of seeking this size increase. This is the fourth increase in 12 years. Two years ago TCWS was granted an 18% increase for "investment and on-going expenses". TCWS' lack of operational expertise shouldn't be the users' burden.

**3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? \***
